*Bringing Education
To You*

Director:
Paula C. McLaughlin

Evening Assistant
Trisha Ard

OUR HISTORY:

The Lake City Site was officially opened on March 21, 1997, in a building constructed by the Lake City Development Corporation.

The Lake City Site provides Lecture & Distance Learning Classrooms, a Public Computer Center, Wi-Fi, a Resource Lab for online and college placement testing, the Odessa Chambliss Allied Health Laboratory, Business & Industry training, enrollment services, & Tutoring for academic curriculums.

Bringing Education To You

OUR GOAL:

The Primary responsibility of the Lake City Site is to service the surrounding communities with affordable, comprehensive and technical education emphasizing curriculum and continuing education courses.

The Mission of the Academic Support Services Division-Lake City Site is to provide educational services to an expanded coverage area, which fosters growth and advancement through educational opportunities.

The Lake City Site provides services that compare to the main campus.

Services include:

- *Enrollment Management*
- *Registration*
- *Counseling/Advising*
- *Business Services*
- *Placement Testing*
- *Online Testing*
- *Tutoring*
- *Assistance Completing Financial Aid*

The Lake City Site is looking forward to a fantastic future as we serve our community and continue to Grow the Economy, One Graduate at a Time
