SATISFACTORY ACADEMIC PROGRESS – FINANCIAL AID APPEAL REQUEST

Student Name: Last, First, Middle _____

Social Security Number _____

Student ID # _____

Florence-Darlington Technical College will take into account any special extenuating circumstances, which cause students to fail to comply with the College's Standard of Satisfactory Academic Progress. If this appeal is approved, the waiver will be for one semester only. Students granted this waiver may request that their satisfactory academic progress be reviewed each semester, after grades are reported. Students that fail to make progress toward removing their deficiency will be denied approval. Students will regain eligibility for financial aid by bringing their grades into compliance with the policy. Students who do not understand this process should ask for assistance.

In the space below, you should indicate the reason(s) why satisfactory academic progress was not attained and your plans to bring your grades into compliance with the policy. Any documentation that might have bearing on whether or not to approve your request should be attached to this form.

Explanation of Extenuating Circumstances:

I declare, under penalty of perjury, that the foregoing is true and correct.
