

## Send your Courses to SCTRAC!

Florence-Darlington Technical College is now helping students get the most out of the new South Carolina Transfer and Articulation Center located at [www.SCTRAC.org](http://www.SCTRAC.org)!

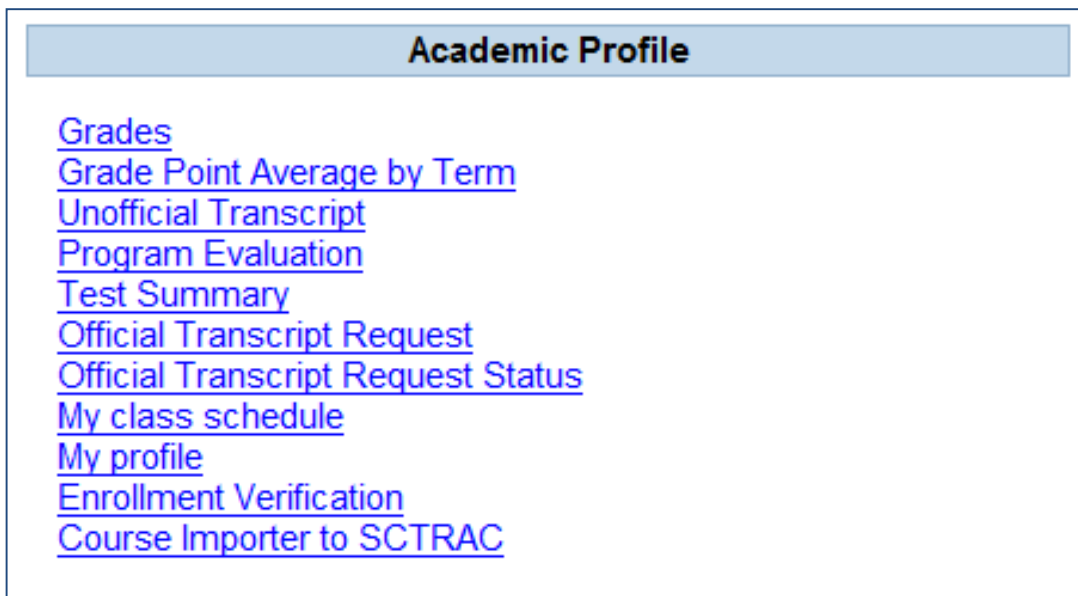

As a student, you can use SCTRAC to help them see how other colleges and universities in South Carolina may accept the courses you have already taken as transfer credit. FDTC is helping with that by allowing you to send the courses you have taken at FDTC to [www.SCTRAC.org](http://www.SCTRAC.org) by indicating you want to do so within WebAdvisor.

To take advantage of this new function, follow this process:

- 1) Log in to FDTC's WebAdvisor system at:  
<https://webadvisor.fdtc.edu/WebAdvisor/WebAdvisor>
- 2) Select Students from the Menu

- 3) Select "Course Importer to SCTRAC" from the bottom of the Academic Profile Menu

# Send your Courses to SCTRAC!

- 4) Follow the directions on-screen to either create a new account use a new account you've already created on SCTRAC and then send your courses to SCTRAC
