

**Do you work full-time?**

**Is it difficult for you to take classes in the evening?**

**FDTC is now offering weekend classes.**

**You can now earn credits toward an Associate in Arts degree on Fridays and Saturdays.**

The courses are taught in a highly effective “blended” or “hybrid” format that includes weekend class meetings that provide interaction with your instructor and other students and online course work that you can fit into your schedule.

Classes are offered on Fridays and Saturdays, with additional instruction online; and are completed in 8-week “mini-mesters”. New classes are offered throughout the year. Complete your Associate in Arts degree in two years or less.

**You can earn an Associate in Arts (AA) Degree (University Transfer) at FDTC’s Weekend College**

Students in the Associate in Arts degree program take classes in a small classroom environment taught by instructors, not graduate students or teaching assistants. Their first two years of education at a technical college is the same as the first two years at a four-year university, yet costs much less!

The College offers students in the program a variety of learning formats including accelerated, online, web enhanced, and hybrid courses that are transferable or lead to transferable courses to accommodate traditional and non-traditional students. Graduates of the program will have the necessary communication and analytical thinking skills to compete in a professional work environment or compete with university students entering their third year of a baccalaureate program.

Florence-Darlington Technical College is an equal opportunity provider and employer.

**AA Degree (University Transfer) Weekend College Fall - 16 week**

**Fall - 16 weeks**

<b>Course</b>			
ENG	101	3	1st 8 weeks

\* PHS 101 and BIO 101 are 16 week courses.

## Q & A

**Q.** Can I transfer my associate degree earned through the Weekend College to a four-year college or university?

**A.** Yes. Degrees earned through FDTC's Weekend College are transfer programs that correspond with freshman and sophomore curriculum at most four-year colleges and universities.

**Q.** Can I apply for financial aid if I enroll in FDTC's Weekend College?

**A.** Yes. Financial Aid is available to students who qualify. Most South Carolina residents qualify for Lottery Tuition Assistance. The College also offers tuition payment plans. For more information, visit [www.FDTC.edu](http://www.FDTC.edu)

**Q.** Can I take a combination of evening, online, traditional weekday, and weekend courses while enrolled in FDTC's Weekend College?

**A.** Yes. Students can choose evening, online, traditional weekday, and weekend classes to build a course plan that fits their needs.

**Q.** Can credits I previously earned at FDTC count toward my degree?

**A.** Yes. In most cases, students can easily apply completed courses to a degree program offered through our Weekend College.

**Q.** Can I transfer credits earned at a previous institution to FDTC?

**A.** Yes. Many college-level credits easily transfer to FDTC.

Revised 02/17/16
