Planned New Major _____ Entry Date _____
TERM YEAR

Verification of Eligibility for Academic Renewal

REGISTRAR'S SIGNATURE _____ DATE _____

I verify that I have discussed the Academic Renewal Policy with the Registrar and understand the limiting conditions as outlined below:

LIMITING CONDITIONS:

1. Academic Renewal is only available to students who are re-entering Florence-Darlington Technical College, and have been accepted into a certificate, diploma, or associate degree program.
2. At least two years must have elapsed between the end of the term in which the student was last in attendance, and the term in which the student re-enrolls.
3. Academic Renewal applies only to coursework taken at Florence-Darlington Technical College prior to the term of re-enrollment. It does not apply to coursework taken at or transferred in from another college.
4. If Academic Renewal is granted, all previous academic work at Florence-Darlington Technical College will be disregarded in computation of the GPA and may not be used to complete course requirements for graduation. This includes courses that were completed with a grade of "C" or higher.
5. The prior academic record will remain a part of the student's transcript, but it is not carried forward as part of a new program to which the student is admitted. The transcript will indicate "Academic Renewal" and the date granted, and will reflect no credits attempted, no credits earned, and no grade points earned. Subsequent college coursework will be entered in accordance with existing College policy.
6. Students granted Academic Renewal are not guaranteed acceptance into a specific career program.
7. Students will not be eligible for Academic Renewal if any of the courses taken during the semesters under review have been used to meet the requirements from graduation of any certificate, diploma, or degree program.
8. Granting Academic Renewal does not change a student's financial aid status unless specific governmental or agency laws or regulations prohibit such awards. Students, who plan to receive any type of student aid, including veteran's benefits, should discuss the impact of Academic Forgiveness on his or her financial resources with a Financial Aid advisor.

My signature on this document indicates that I am applying for Academic Renewal at Florence-Darlington Technical College.
